Game.de's "Game of the year" awards for Total War: Warhammer, highlights the best XWA and Total War games of the year. For the complete selection of 30 titles, please check the Game of the Year pages Total War strategy games games such as Total War: Rome 2, Total War: Shogun 2, and Total War: The Complete Collection This is the place to discuss the future of Total War: Warhammer - whether it's a new game or remakes or game engine developments that might affect the game. Come for the news, stay and have a beer. :) Here is a place for YOU to have discussions about the project. We hope that you will be able to participate in the many discussions you find here. Total War: Warhammer is a free-to-play MMORTS RTS hybrid game. Playable solo, co-op, vs AI and online to build your own empire. Total War: Warhammer is powered by the Total War engine which allows you to truly experience the history of the Warhammer world. Total War: Warhammer takes the best elements of the previous two games and further develops them as a full-fledged MMO title. Total War: Warhammer is built on Larian's game engine and uses Dawn of Fantasy, Tome of Magicka and Advanced Renaissance Technology. You can play this game and much more without spending a single dime. There is no in-game advertising, the account functions are free of charge and the versions are free of charge. Even better, all these games offer a very generous free-to-play period. And keep in mind, that these free-of-charge periods are equal to a substantial amount of money. Total War: Warhammer is currently on Steam Early Access, and you can find the forums on our sister site. The first official video from the upcoming Total War: Warhammer remake has landed online. Check out Warhammer: Age of Reckoning Part One. There's some combat, lots
