A360 Energy Estimates I have spent hours on Google trying to find a solution to this problem but not one single program or web-site has helped. This is not the first time this has happened to me. I have spent hours on Google trying to find a solution to this problem but not one single program or web-site has helped. Everything has been great up until yesterday. Now I can't access my Autodesk Drive. I searched and looked and looked for a possible solution but have found nothing. I am not a tech savvy person at all, as you can tell by my comment. I think the reason is because I uninstalled and reinstalled several times. I just can't figure out what to do. I have a new Revit 2016

The White House and Senate Democrats have passed new regulations on a daily basis, including the Obama administration's infamous assault on religious freedom. Now, some of Obama's biggest Democratic allies in the House have introduced the Protecting Our Care Act — a bill that would strip away millions of Americans' freedoms under Obamacare. The bill passed the House Oversight and Government Reform Committee earlier this month and is headed to the House Rules Committee for consideration. The so-called Protecting Our Care Act would repeal the individual mandate that requires all Americans to purchase health insurance or pay a penalty. The mandate itself is the largest government intrusion into the lives of Americans since the New Deal. This measure would also remove any funding for the rule requiring businesses with more than 50 full-time employees to provide insurance coverage or pay a penalty. The final rule, due to be announced in June, requires employers to provide "minimal essential benefits" at a cost of up to $2,000 per full-time employee. In other words, this rule will require employers to pay for a large portion of their employees' contraception and sterilization procedures — all without a congressional mandate. As Heritage expert Frank Cannon explained in a 2005 report, this mandate is a major expansion of the government's role in healthcare. All Obamacare laws must receive a vote in the House. If this bill passes, it will be a unilateral and major expansion of government power. The federal government currently has no authority to force an employer to pay for anything other than "minimum essential" health coverage. Sadly, Congressional Democrats have shown an affinity for violating the constitution on a regular 570a42141b
