Portable IDailyDiary Free Crack + Free [Updated] 2022

It is simple to keep a diary on your iPhone or iPad with Portable iDailyDiary. The program has a simplistic user interface that can come in handy for casual users. All that you need is to open the application, set your daily goals and start writing. The app provides you with a date-based calendar at the top of the frame. Using this, you can view the diary pages from the past, as well as the pages of your future. You may also make entries for the days ahead.

What's more, the program lets you create bullet-points lists, hypertext links and links to other diary pages. Also, there is a search function that can be used to locate any of the diary entries. You can store multiple diary pages and give them names. You may additionally locate each daily entry by the date it was created. The program supports a rich text editor that lets you pick the font, color, size and emphasis for the daily entries. The program also offers an instant messenger. What's more, you can use portable iDailyDiary to send notes and directly contact other users. You may download Portable iDailyDiary from our software portal for free. This free trial app is available in the Social category along with many other programs like Book Creator Desktop, eBook Creator Desktop, Family Words, iEarth Weather, iGoogle+, Link Bubble Maker Portable, Link Bubble Maker Deluxe, Mail Merge, MULABO, OpenOffice, Personal Organizer, PhoneBot+,[PREMIUM] Passionately For Prayer and Portable iLecture. So, the program is pretty simple to use and includes numerous features. Thus, it shouldn't be a trouble to work with the app on a daily basis.
