**THE STORY OF TARNISH** In a world where the heavens have fallen, Tarnished, a man of 16, is the last living soul. He lost his family in the war. Since then, he has been wandering the Lands Between with no goal in sight. As he wanders the Lands Between, he will encounter various people who are put into situations and will be guided by grace, becoming an Elden Lord.

**Traveler's History Tarnished, a wanderer.** On a journey to find the truth, he walked the Lands Between with no goal in sight. However, without direction, this is a place that does not know his name. And what I did before is the only thing that I am proud of. That was my courage... and that was the bitter air that forged my heart.

**Tarnished the Wanderer (11:41) The Wanderer** The black robe that I wore when I became the Wanderer... It still has memories. The man I had then set off for the long path. The man who should have died in his battle with disease

### **Elden Ring Features Key:**

**A Free-Roaming World** In open-ended game play where the world is open to search, explore, and conquer. Journey to the center of the world's challenge.

**Discover Unique Adventures** With a variety of events, rich quests and challenging tasks, experience the thrill of turning the tides of history.

**A Core System for Crafty and Devious Players** Encounter dungeons that include unique and interesting traps. With the ability to do sidequests, various jobs, and character professions, the player will never run short of deeds to embark on.

**Customization Mechanics** Create a clear strategy with a variety of equipment, spells, and skills.
