References Category:Townships in Harnett County, North Carolina Category:Townships in North Carolina The present disclosure relates generally to the field of vision correction, and more particularly, to a method and system for displaying the indicia of a spectacle lens. Various types of eyeglass or spectacle wearers have experienced discomfort in displaying indicia to other people as they read a book, watch a video, or simply look into the distance. In the past, the wearer of such eyewear have resorted to the use of a note or letter to help them keep track of the indicia. However, such practices are not very convenient and are fraught with potential errors. This invention relates to a method of and apparatus for treating a tissue or a section thereof, such as a cell. More particularly, this invention relates to a method of and apparatus for treating a tissue or a section thereof with a treatment liquid 6d1f23a050
