## System Requirements For The Bible:

Both the Xbox 360 and PlayStation 3 versions of Settle Saga support up to four players online and each player can save progress at their leisure. If you find that you need to quit out of Settle Saga, you can bring your save back to a previous state with the game's high-score system. The Xbox 360 version also supports a single-player offline mode, where you can explore all of the areas of the game and see the secret areas (which will be shown in the main menu). If you own a PlayStation Vita, a PlayStation 4, or an iPad,
