The game has cheat codes to get weapons, health, money and many more... In the menu when the cheat code "select the same character" is enabled. .... The Chronicles of Riddick: Assault on Dark Athena - cheats, codes, trainers and saves

## Street Of Rage Remake V5 Trainer

Street Of Rage Remake V5 Trainers "SOR3" (the most recent version of the game) is available on MacOS 9 through the Steam Workshop (it's also available on Windows under the Windows XBLA store as well as the Windows Store for Windows Phone, but this trainer is based on the SteamWorkshop version.) If you don't care about the trainer for the Mac version, you can get the full game, the trainer, and two movies for free in the Minish Cap expansion. The game was originally released on the Sega Mega Drive, Sega CD, Sega Master System, and Sega Game Gear. There are various versions of the game available for different formats, including the original game, the Streets Of Rage Remake, Master System version, Sega CD version, Sega Super CD version, Sega 32X version, 32X version, Game Gear version, Game Boy version, Japanese GBA version, PAL GBA version, VEGA GAME version, Windows XBLA version, Windows PC version, iOS version, and Android version. The original Sega Mega Drive version was developed by Beat Blubber (later known as iNiS) and published by Sega. Wikipedia doesn't have a good summary of these different versions for non-gamers, so this cheat guide will explain them. The Windows XBLA and Steam versions of SOR3 for Windows are identical save for the title screen, and (naturally) the cheat menu does not work on Windows Phone or the Android version. The name of the trainer file on Windows is train.exe, whereas on OS X, it is called SOR5.dmg. The WiiWare version of the game is identical to the Windows version except it was developed by Gamna, published by Sega, and ported by Ocean. The Sega Super CD version of SOR3 was developed by Sega's developmental team (Mega Drive team) and published by Sega. This is one of the rarest versions of SOR3, and can be difficult to obtain./\* Copyright The containerd Authors.
