With the worlds largest threat-detection network, our world-class antivirus engine, a wide range of advanced features, and decades of experience, its no wonder AVG AntiVirus FREE consistently earns high praise from both independent cybersecurity testing labs and other industry experts. Windows Defender will guard against standard types of malware, but it wont match the comprehensive security youll get with a powerful, third-party antivirus solution like AVG AntiVirus FREE for PC. Now known as Microsoft Defender, Windows Defender doesnt offer enough protection against phishing attacks on all browsers, nor

does it perform quite as highly as AVG AntiVirus FREE in leading independent tests.
