Create the perfect pet for your Sims to train, play with, and love as if it were their own. Learn more at www.TheSims2.com. To tame a pet is the task of the Sims. However, not all pets are as easy to train as you think. Some are not trainable at all. Fortunately, you have the opportunity to teach your pet everything he needs. When your pet has learned all the basic commands, you can start training him at a more complex level. If your pet learns commands, you can enroll them in a trainer team where you can choose which commands your pet should follow. dd2bc28256
