
Mahabharatam In Tamil Pdf Free Download !FREE!

mahabharatam is considered as the kavyamam or the kritisam of vyasa. he wrote this work in sanskrit. but after so many years he converted it into tamil and made the tamil translation. tamil translation was so awesome. if you have some interest in this subject, you can easily find the translations of this book in tamil. it is the same pdf file in tamil in our website. do you know, the first verse of the first chapter of this popular verse, is in the tamil language! i do not find it anywhere in the other hindi translations. this translation is in the sampradaya known as the papanatha sampradaya. they translate it like it is like the bhagavad gita. i have been watching your blog for about a year. i am a hindu vaishnava and have read many of the bbt in tamil in the past. currently i am translating the bbt in thai as a child of the bhagavad-gita. i have asked bbt to change the word "sri" to "god" and "narayana" to "god" in many places. i ask you to consider these changes as i hope they are less inflammatory to you. i am sure my children will read the book and appreciate my efforts. i have to say that your writing style in the bbt is extremely boring, as if you wrote it for a brain dead person. i can understand that you

need to give some kind of explanation on the grammar and words, but you do it in such an uninteresting way. and even when you explain the meaning of a word or a phrase, the way you do it, is no different than the way you would explain it to a college student. this is why i have always read your books in tamil. the bbt is great, but i have never been able to read it in tamil because i did not find it very interesting.

Mahabharatam In Tamil Pdf Free Download

hare krishna prabhu all glories to srila prabhupada please accept my humble obeisances. i really appreciate the work you are doing prabhu but i have one concern. the srimad bhagavatam downloads seem to be the originals but not the ones you are advertising on krishnastore.com i happen to have that exact set from the website krishnastore.com and they differ from the ones that i just downloaded. please explain this to me because i am having a hard time trying to understand it. thank you again prabhu for all your hard work on trying to preserve the legacy and authenticity of our spiritual masters books. and please forgive me prabhu if i have offended you or anyone with my concerns. i just want to know the truth. hare krishna prabhu g someone had deleted this set of scanned copies of srimad bhagvatam frm my phone. im downloading it again. its beautifull illustrations really gives a dint of vaikuntha as i found prabhupad saying in d documentary film of iskcon (iskcon classic). iskcon philosophy is poineer n gives a place of shelter in todays

hectic world of restlessness. it provides a shortcut reach to d supreme d lotus feet of krishna. hare krishna prabhu g. i am extremely thankful first to ms rachana naurial to get me motivated to download bhadvatam, all volumes. second thanx to a.c.bhaktivedanta swami prabhupada and his institutions such as iskon who have made these priceless scriptures translated & written in an understandable language, effective paintings and in electronic format which makes me a proud owner of this knowledge. reading it will make my life worthy for what it has been and realizing the meanings + understanding weaved in these texts may lead me to realization which has been elusive to most people.. thank you all. 5ec8ef588b
